DFH-2

• If approved, the requestor shall be responsible for preparing all materials and information related to the fundraising campaign and keeping district administration apprised of the campaign's status. The requestor is responsible for compliance with all state and federal laws, the rules governing the fundraising site, and other relevant district policies and procedures, as well as the following:

- Fundraising proceeds shall not be deposited into a staff member's personal bank account or peer to peer payment network.
- Money raised or items secured by a fundraising campaign by a person or entity acting on behalf of the school or the district will be the property of the district.
- All items and money generated on behalf of the district are subject to the same controls and regulations as other district property and shall be deposited or inventoried accordingly. No money raised or items purchased shall be distributed to individual employees without the express written consent of the superintendent.
- Pictures of students in conjunction with fundraising activities shall not occur unless parents of students have consented in writing to the use of the picture for this specific purpose.
- Fundraising activities must comply with all board policies, including, but not limited to, policies governing the privacy rights of students.

Nothing in this policy is intended to prohibit an employee from using online fundraising campaigns for personal items or reasons. In such cases, the employees shall not be acting on behalf of the district or school, identify themselves as employees of the district, or suggest the fundraising campaign is for the benefit of students, classrooms or schools of the school district.

For purposes of this section, "acting on behalf of the district or the school" means an employee holding oneself out as an employee of the district and/or seeks donations for the benefit of the district, a particular school, classroom, or student.
